Quotes
justin.domingo@blackbombinc.com

Representative, not exhaustive — if an item is not listed, ask. Availability, pack configuration, and lead time are confirmed on every quote, line by line, before you issue a purchase order. Safety Data Sheets are provided for every chemical product we quote.

Can Liners & Trash Bags

The single most continuous reorder line in any facility. Tell us capacity, mil or micron, color, and seal type and we will quote by the case or the pallet.

Category	Example items	Notes	Availability
Can liners & trash bags	High-density can liners Low-density can liners Contractor and heavy-duty bags	Specify gallon capacity, gauge (mil or micron), color, and flat or star seal.	Confirmed per quote

Paper Products

Specify ply, sheet count, and the dispenser system in your facility — roll, multifold, and center-pull towels are not interchangeable.

Category	Example items	Notes	Availability
Bath tissue	Standard roll bath tissue Jumbo roll bath tissue Coreless and controlled-use systems	Specify ply, sheet count, and dispenser compatibility.	Confirmed per quote
Hand towels	Hardwound roll towel Multifold towel C-fold towel Center-pull towel	Specify dispenser system — roll towel is not interchangeable.	Confirmed per quote
Facility paper & disposables	Facial tissue Wipers and rags Food service disposables	—	Confirmed per quote

Cleaning & Hygiene

Safety Data Sheets are provided for every chemical product we quote. Ask for them with the quote and they come attached.

Category	Example items	Notes	Availability
Soap, sanitizer & dispensers	Foam and lotion hand soap Hand sanitizer Manual and touch-free dispensers	Safety Data Sheets available on request.	Confirmed per quote

Disposable gloves	Nitrile gloves, food and janitorial grade Vinyl gloves Poly gloves	—	Confirmed per quote
Cleaning chemicals & supplies	General purpose and disinfectant cleaners Floor care products Mops, brooms, and microfiber	Safety Data Sheets available on request.	Confirmed per quote
